The Lady Cobras proved that their bite was vicious, finishing the season 14-16 overall and 10-7 in the TVAC. The squad lost two seniors, Cassandra Justus and Coty Yates, but look forward to next year's season in the hopes that they will continue their excellence in the game.

Coach Ron Worrell took control and recruited two new players, Heather Patrick and Katrina Mihaere. Coach Ron Worrell felt really fortunate to have recruited Katrina Mihaere. "She is exactly what the women's program needs to help build a championship team. This will be another rebuilding year; but, beginnning next year, the season should allow for a run at the conference championship". He was also fortunate to have six walk-ons. Heather Hall, Yoko Mitera, Patrice Williams, Mayu Sato, Cassandra Justus, Tonya Melvin, and Jenny Hughes. The ladies finished the season 4-10 in the TVAC. Katrina Mihaere was awarded TVAC Women's Player of the Year.

5ht Row: Chris Worley, Jarrod Sparks, Kristopher McClellan, Jeff O'Dell, Anthony Lee, Chris Lane

The Cobra Baseball Team finished the season with a 7th place overall trophy in the TVAC. Even though Coach Ken Bowman lost several key players to graduation last season, he restocked his team with young but effective replacements that proved that the VI baseball team is determined to do well in the TVAC. The team finished overall with a 11-26-0 record. The team had severall players who were acknowledged for their participation and excellence in the sport. Jarrod Sparks placed 4th in the TVAC in batting averages with a .398. Jeff O'Dell was not far behind with a 7th place winning thanks to a batting average of .372. Several others were rewarded with placement in the TVAC overall homerun statistics. Mikhael Tabor led the VI team with 5 homeruns with Jeff O'Dell and Blake Stone right behind him with 4 a piece. Other notables on the team were Kris McClellan, who had a total of 31 runs scored for the season and Byron Ashbrook who was recognized in 20th place in doubles for having 7. As for the pitchers on the mound, VI had several who were rewarded for their stats. Will Davis ended his season on the mound with 3 pitching wins, 34 strikeouts and a 5.60 ERA. Aaron Tobey and Brandon Owens, both new to the team, added a win each to their records. Jared Montgomery, a veteran on the VI baseball team, finished his time on the mound with 29 strikeouts and a 7.09 ERA. Newcomer Kyle Harrison was not far behind Montgomery with 45 strikeouts and a 8.35 ERA. Even though the team will lose two seniors (Byron Ashbrook and Jason Brummitt), the young team now feels that with the experience they gained this season, they will enter the 2000-01 baseball season with determination and a goal to win.

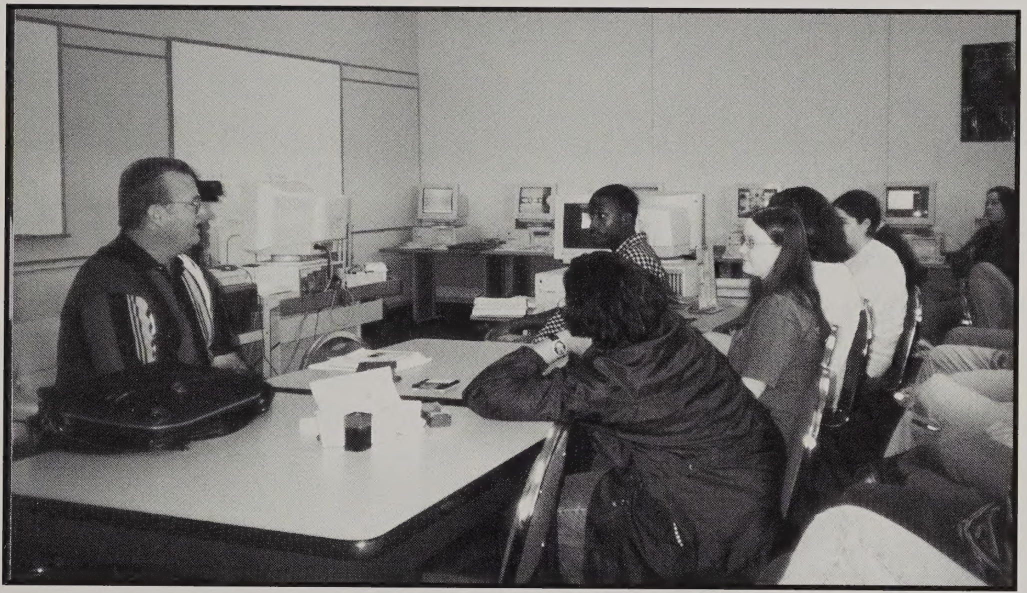
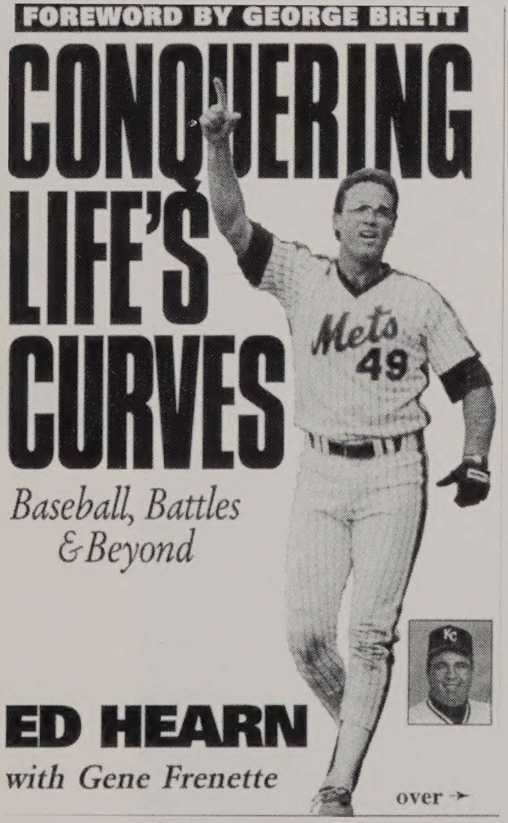
# 1999 Staley Lecture Series





The Thomas F. Staley Foundation is a private, non-profit organization, established to administer funds to further the witness of the Christian Church, and with a particular and chief concern for college students. The foundation is firmly persuaded that the greatest need in America today is for millions of men and women to enter into that transaction with Almighty God through Christ that results in a new and transformed life. To accomplish this objective, the Thomas F. Staley Foundation has developed a Chapel speaker Bureau. This Bureau funds the presentation of gifted speakers of the Christian message to college and university campuses for Spiritual Enrichment Weeks, special lecture series, and seminars on basic Christianity.

This year's guest speaker was Ed Hearn of Lenexa, Kansas. Ed played 13 years of professional baseball including a World Series Championship season with the 1986 New York Mets and a brief time with the Kansas City Royals. Due to a severe shoulder injury, Ed's career came to an end. Traveling across the country as an author and professional motivation speaker, his courage, faith, and determination speak volumes to us as we face life's difficult challenges.

I'm not desperate!

The Student Activities Committee plans a fundraiser every year to raise money for the club. This year's fundraiser was an idea thought up in a meeting. The male leg auction went extremely well, making over $200.00! The legs of each male were displayed behind a curtain and then bid on. The highest bidder was awarded a date to the Valentine's Day Dance.

# Student Life At V.I.

Student Life at V.I. is never dull. Campus is always lively with the sounds of laughter, music, and activity. For four years, student's lives are altered. Residence Halls become the home away from home for many students. Adjustments are made so that everyone can live and get along together. It's not easy, but it's definitely not forgetable! Many memories are made here, memories that the students of V.I. will never forget.
